

Announcing our

***45th Annual Dollhouse and Miniatures Show and Sale
Delta Hotel by Marriott, near Fogelsville, PA***

July 14 2024 10 am-4:00 pm

Our show is known for our friendly relaxed atmosphere. All our club members take part in the show and make sure vendors have all the help they need. While vendors range from selling general merchandise to artisan “one of a kind” creations, attendees range from beginners to experienced miniaturists.

The Delta Hotel, 7736 Adrienne Dr, Breinigsville, PA 18031, will give a discount rate of \$139. For 1 king bed and \$149. for 2 queen to our vendors until June 14 (610-391-1000). Ask for group block “Lehigh Valley SOS Miniatures Club”. There is also a direct link to these rooms that I can email you. Last year vendors found this better to use. If you call and they say there are no rooms available, contact me. There are also a few other hotel/motels within a short drive. We encourage you to make the Lehigh Valley a destination where you and your family/friends can enjoy many local attractions such as Dorney Park, Da Vinci Science Center, Wind Creek Casino, Crayola Factory, Hawk Mountain Bird Sanctuary, and Lehigh Valley Zoo, to name a few. Visit www.discoverlehighvalley.com for more exciting attractions in the area.

Enclosed is a Vendor Contract for this year’s show. We suggest reserving early to assure getting a table, and to receive the discount price before April 1.

The Lehigh Valley Small on Scale Miniatures Club showcases our members’ projects in an exhibit that is located in the showroom area. Vendors are invited to display (not for sale) projects in our exhibit. If you choose to do so, request an exhibit form or go on our website and download one to send to us.

If you are receiving this mailing and wish to be removed from the list of potential vendors, please contact me by email, phone or letter, and I will do so.

Lehigh Valley SOS Miniatures Club wants our vendors to not only have a successful show, but to enjoy your time spent with us. Hope to see you at our 2024 show!
